# CAT TATTOOS MAKE-UP DATE DETAILS - PLEASE READ

## Sunday, June 11, 2023 from 12-6 p.m.

- 10 spots per hour time slot from 12-6 p.m.
- \$50, \$100, \$150 flash cat design tiers
- Review the cat designs and when registering, indicate which cat design you want, as well as whether you want just the base outline or added shading/colouring.
  - For example, A11, outline, or B16, with shade/colour
- To register your spot, you will be asked to pre-pay \$50. You will be asked to pay the difference, depending on your cat design/tier, once at the tattoo studio.
  - For instance, if you want a \$150 design, you will pre-pay \$50 first to register and confirm your spot, then pay another \$100 at the studio. If you are selecting a \$50 design, your pre-registration pays for your tattoo! Or if you want to add colour to the \$50 tattoo, you will pay additionally for the colour at the studio.
- If registering for multiple people, ensure you indicate tattoo design + shade/colour for each ticket/person.
- ONLY PEOPLE WHO HAVE PRE-REGISTERED WILL GET CAT TATS ON SUNDAY.
- DO NOT SHOW UP TO THE STUDIO IF YOU HAVE NOT PRE-REGISTERED.
- Please show up for your tattoo at the start of your booked time (please be patient, you may need to wait as artists finish up other cat tats!)
